Hello and Welcome,

I look forward to helping you with Math to pass the **Electrician Aptitude Test**.

- ✓ For our online tutoring, it's better to use a **computer or tablet**. Phone screens are too small.
- ✓ Have your **laptop or tablet battery charged**.
- ✓ Be in a quiet room and without distractions.
- ✓ Have a dedicated paper notebook for notes and problem solving.

Meet Online

- We will use **Google Meet** for tutoring online. There is nothing to download.
- I will email you a **link** to join Google Meet. At our tutoring time, click **Join with Google Meet**.
- If you use a **Mac** laptop, please install **Google Chrome** web browser ahead of time on your device to make Google Meet work best.

Schedule

- We can meet afternoons, evenings, during the week, and weekends.
- Please install **Google Calendar on your phone** so that our calendars sync.
- **To Change** our meeting – provide me with at least an **8-hour notice** by text, call, or email.
- **If you miss a session, without notifying me, the charge is half the cost of the first session.**
Additional times missing a session, the charge is the full cost.

Payment

- **Payment is due before the session begins.**
- The rate is \$60 for a one-hour session. Or, \$90 per 1 ½ hours.
- Payment options include Zelle, Cash App, Venmo, or PayPal / Credit card.

Zelle – **LBBMATT@gmail.com**

Cash App – **\$MattYubas, x1555**

Venmo – **@MattYubas**

GET STARTED

1. Order a **session** using the link below:
www.ElectricianMathTutor.com/#payment
2. I prefer if you can use your **Cash App, Venmo, or Zelle**.
Credit Cards and **PayPal** charge me a fee.
3. Select a date and time to meet. Here is my Calendar: calendly.com/mattyubas/tutor
4. At our tutoring time, click **Join with Google Meet**.

Tutoring Times

- Tutoring is 1 hour or 90 minutes based on availability.
- For 90-minute tutoring there is a 5-minute break after 45 minutes.

Questions

- You may email me questions, and I will respond during our next session.
- If parents are involved, please ask any questions during our next session.

Best,

Matthew Yubas
